

Publikationen

(2015): Experimental investigations on the offset correction of transient cooling curves of light emitting diodes based on JESD51-14 and simple semi-empirical approximations. In: Microelectronics Journal, vol. 46, no. 12/Part A, pp. 1208-1215. DOI: 10.1016/j.mejo.2015.10.013.

(2014): Experimental and Theoretical Considerations on the Offset Correction of Transient Cooling Curves of Light Emitting Diodes Based on JESD51-14. In: Proceedings of Thermic 2014 - 20th International Workshop on Thermal Investigations of ICs and Systems (Sep 24th-26th 2014, Greenwich, UK).
