

Publikationen

- (2014): CT simulation study to demonstrate material impact using hole plates. In: 11th European Conference on Non-Destructive Testing (ECNDT), Prag, Tschechische Republik.
- (2014): Methods for Quantitative Characterization of Large-Scale High Energy Computed Tomography Systems. In: 11th European Conference on Non-Destructive Testing (ECNDT), Prag, Tschechische Republik.
- (2010): Predicting autonomous and controlled motivation to transfer training. In: Forschungsbericht No. 41.
- (2010): Motivation to transfer training: An integrative literature review. In: Forschungsbericht No. 47.
- (2010): Motivation to transfer revisited. In: 9th International Conference of the Learning Sciences (ICLS) 2010: Learning in the Disciplines, Chicago, IL, USA.
- (2010): Motivation to transfer revisited. In: Learning in the disciplines (Proceedings of the 9th International Conference of the Learning Sciences [ICLS 2010], Vol. 1), Chicago, IL, USA.
- (2009): Predicting autonomous and controlled motivation to transfer: Test of a model. In: 12th Conference of Junior Researchers of EARLI (European Association for Research on Reading and Instruction), Amsterdam, Niederlande.
- (2009): Eye movements, medical images, and the analysis of human-computer interaction. Round table paper. In: 13th Biennial Conference of the European Association for Research on Learning and Instruction (EARLI) 2013: Fostering Communities of Learning, Amsterdam, Niederlande.
- (2009): Do intentions mediate the transfer process? Testing the theory of planned behaviour. In: 13th Biennial Conference of the European Association for Research on Learning and Instruction (EARLI) 2013: Fostering Communities of Learning, Amsterdam, Niederlande.
- (2009): Predicting autonomous and controlled motivation to transfer training. In: International Journal of Training and Development, vol. 13, no. 2, pp. 124-138.
- (2009): Motivation to transfer training: An integrative literature review. In: Human Resource Development Review, vol. 8, no. 3, pp. 403-423.
- (2008): Antecedents of extrinsic motivation to transfer training. In: 9th International Conference on Human Resource Development Research and Practice across Europe: Developing Leaders and Managers, Lille, Frankreich.
- (2008): Predicting autonomous and controlled motivation to transfer: Test of a model. In: 11th Conference of Junior Researchers of EARLI (European Association for Research on Reading and Instruction), Leuven, Belgien.
- (2008): An integrative model of transfer motivation antecedents. In: 4th EARLI Special Interest Group (SIG) 14 Learning and Professional Development Conference, Jyväskylä, Finnland.
- (2008): Transfer of training and its determinants. A study conducted in the domain of occupational health and safety. In: 4th EARLI Special Interest Group (SIG) 14 Learning and Professional Development Conference, Jyväskylä, Finnland.
- (2008): Antecedents of extrinsic motivation to transfer training. In: Proceedings of the 9th International Conference on Human Resource Development Research and Practice across Europe (CD-ROM), Lille, France.
- (2006): Transfer - Literaturlauswertung. Expertise für das Bundesgenossenschaftliche Institut für Arbeit und Gesundheit (BGAG), Dresden.
