

## Publikationen

- (2013): Further evidence for the differential familial aggregation of agoraphobia and panic disorder. [Congress Abstract; 102nd Annual American Psychopathological Association Meeting on " Multigenerational Transmission of Psychopathology"; March 1-3, 2012; New York, NY, USA]. In: Comprehensive Psychiatry, vol. 54, no. 1.
- (2012): Re-examining the differential familial liability of agoraphobia and panic disorder. In: Depression and Anxiety, vol. 29, no. 11, pp. 931-938. DOI: 10.1002/da.21975.
- (2009): The interplay of variations in the FKBP5 gene and adverse life events in predicting the first onset of depression during a ten-year follow-up. [Congress Abstract; 26th Symposium of the AGNP; Munich; October, 7-10, 2009]. In: Pharmacopsychiatry, vol. 42, no. 5.
- (2009): Heterogeneity of DSM-IV Major Depressive Disorder as a Consequence of Subthreshold Bipolarity. In: Archives of General Psychiatry, vol. 66, no. 12, pp. 1341-1352.
- (2008): Pathways into panic and phobias. In: Abstractband zum Institutssymposium des Max-Planck-Instituts für Psychiatrie (29.-30.07.2008), München.
- (2008): Relationship of panic and agoraphobia: rethinking of a diagnostic concept?. [Abstract]. In: European Neuropsychopharmacology, vol. 18, no. Supplement 4.
- (2008): Pathways into panic and phobias. [Abstract]. In: The International Journal of Neuropsychopharmacology, vol. 11, no. Suppl. 1.
- (2008): Agoraphobia and Panic: Prospective-longitudinal Relations Suggest a Rethinking of Diagnostic Concepts. In: Psychotherapy and Psychosomatics, vol. 77, no. 3, pp. 147-157. DOI: 10.1159/000116608.
- (2008): The interplay of familial depression liability and adverse events in predicting the first onset of depression during a 10-year follow-up. In: Biological Psychiatry, vol. 63, no. 4, pp. 406-414. DOI: 10.1016/j.biopsych.2007.05.020.
- (2008): Differential familial liability of panic disorder and agoraphobia. In: Depression and Anxiety, vol. 25, no. 5, pp. 422-434. DOI: 10.1002/da.20425.
- (2007): Specific vulnerability and risk factors for the onset of panic disorder, agoraphobia and other phobias. [Congress Abstract; 25th Symposium of the AGNP; Munich; October, 3-6, 2007]. In: Pharmacopsychiatry, vol. 40, no. 5.
- (2007): Birth complications increase the liability for depression according to trauma. [Abstract]. In: Nervenarzt, vol. 78, no. Supplement 2.
- (2007): Exposure to natal complications influences vulnerability for depression under traumatic conditions. In: Abstractband zum Institutssymposium des Max-Planck-Instituts für Psychiatrie (24.-25.07.2007), München.
- (2007): Differential familial liability of panic disorder and agoraphobia. In: Abstractband zum Institutssymposium des Max-Planck-Instituts für Psychiatrie (24.-25.07.2007), München.
- (2006): Natural course of obsessive compulsive disorder (OCD) over four years: findings from a prospective community study of adolescents and young adults (P.4.a.007). Abstract. In: European Neuropsychopharmacology, vol. 16, no. Suppl. 4. DOI: 10.1016/S0924-977X(06)70588-0.
- (2006): Pathways into ecstasy use: the role of prior cannabis use and ecstasy availability (P.6.c.007). Abstract. In: European Neuropsychopharmacology, vol. 16, no. Suppl. 4. DOI: 10.1016/S0924-977X(06)70686-1.

- (2006): Panic and agoraphobia in the first three decades of life. In: Abstractband zum Institutssymposium des Max-Planck-Instituts für Psychiatrie (25.-26.07.2006), München.
- (2006): Eltern mit Panik und ihre Kinder. [Abstract]. In: Wissenschaftliche Beiträge zum 24. Symposium der Fachgruppe Klinische Psychologie und Psychotherapie der Deutschen Gesellschaft für Psychologie (DGPs) [25.-27.05.2006; Würzburg], Lengerich; Berlin; Bremen; Miami; Riga; Viernheim; Wien; Zagreb.
- (2006): Dependence symptoms in young cannabis users? A prospective epidemiological study. In: Journal of Psychiatric Research, vol. 40, no. 5, pp. 394-403. DOI: 10.1016/j.jpsychires.2005.07.011.
- (2005): Panic in parents – panic in children?. In: Abstractband zum Institutssymposium des Max-Planck-Instituts für Psychiatrie (27.-28.07.2005), München.
- (2005): Panische Eltern – Panische Kinder?. [Abstract]. In: Klinische Psychologie und Psychotherapie 2005, Lengerich.
- (2005): The natural course of obsessive compulsive disorder over four years: Findings from a prospective community study of adolescents and young adults. [Abstract;Poster Session at the 8th ECNP Regional Meeting, Moscow, Russia; June 14-15, 2005]. In: European Neuropsychopharmacology, vol. 15, no. Suppl. 2. DOI: 10.1016/S0924-977X(05)80342-6.
- (2005): Pathways into ecstasy use: Impact of cannabis on availability and first use of ecstasy. In: Drug and Alcohol Dependence, vol. 79, no. 3, pp. 331-341. DOI: 10.1016/j.drugalcdep.2005.02.008.
- (2004): Kann man von Cannabis eigentlich abhängig werden?. [Abstract]. In: 22. Symposium Klinische Psychologie und Psychotherapie, Fachgruppe Klinische Psychologie und Psychotherapie der DGPs (20.-22. Mai 2004; Halle/Saale), Lengerich; Berlin; Bremen; Miami; Riga; Viernheim; Wien; Zagreb.
- (2004): Grundlagen und Forschungsstrategien regionaler Bedarfs- und Allokationsprozesse am Beispiel des ASAT-F1-Projektes. In: Suchtmedizin, vol. 6, no. 1, pp. 14-21.
- (2003): Relationships among anxiety disorders: Patterns and implications. In: Anxiety disorders, Oxford.
