

Publikationen

- (2019): Diálogo sobre Eficiência Energética – Simulações computacionais - uma introdução (Building performance simulation – an introduction)..
- (2019): Diálogo sobre Eficiência Energética – uma introdução | Contextualização Internacional - a abordagem alemã | Out-of-the-box - Estudo de Caso. In: Diálogos sobre Eficiência Energética, Brasília DF, Brazil.
- (2018): Perspectivas de avanços em eficiência energética no setor da construção civil ” (Perspectives of advances in energy efficiency in the construction sector).
- (2018): Examples of Business Models and Drivers for Energy Efficient Buildings. In: First Brazilian-German Energy Day, São Paulo, Brazil.
- (2014): Practical Experiences of Energy Efficiency in Development Projects.
- (2013): Sustentabilidade no Urbanismo e na Arquitetura: Tendências internacionais e referências à situação no Brasil.
- (2013): Sustentabilidad y su Impacto en la Construcción Civil. In: Taller Premio Sustentabilidad Odebrecht, Chiclayo, UNI-Lima/Peru.
- (2013): Sustentabilidad y su Impacto en la Construcción Civil. In: Taller Premio Sustentabilidad Odebrecht, Arequipa, Peru.
- (2013): ECOLEGIOS - Diagnóstico en colegios públicos & proyectos de remodelación .
- (2013): ECOLEGIOS - Diagnóstico en colegios públicos & proyectos de remodelación .
- (2013): Proyectos de Infraestructura Educativa – con Enfoque Bioclimático. In: Taller Nacional MINAM/MEF, Lima, Perú.
- (2013): Edificios sostenibles – la Transformación del Mercado. In: 1. Taller “Crecimiento Verde”, Lima, Perú.
- (2012): Proyectos Basados en energías renovables en instituciones educativas. In: Taller Cambio climático, sustentabilidad y manejo sustentable del recurso agua, Lima, Perú.
- (2012): Green Schools, Comfort & Productivity - Experiences in the South American Context . In: Summit of American Green Building Councils, Iquitos, Peru.
- (2012): Escuelas sostenibles en diferentes zonas climáticas – La cooperación alemana y el proyecto ECOLEGIOS en Perú. In: 1. Congreso Internacional de Arquitectura Sostenible (CIARQ-S 2012), Lima, Perú.
- (2011): Ciudades & Sociedades: Donde estamos e para donde nos vamos | Dinámicas de la sustentabilidad . In: Taller "Arquitectura & Urbanismo Sustentable en el Mercosur", Montevideo, Uruguay.
- (2011): The dynamics of development: sustainable urban spaces and the importance of Benchmarking. In: MINAPIM (& Fraunhofer Institute ENAS), Manaus, Brazil.
- (2011): Sistema de benchmarking como herramienta de planificación + a importancia de “Guidelines” para políticos. In: Taller "Arquitectura & Urbanismo Sustentable en el Mercosur", Montevideo, Uruguay.
- (2011): Dinámica del desarrollo sostenible en espacios urbanos – aprendizaje por medio de comparaciones. In: MEGACIUDADES 2011, Buenos Aires, Argentina.

- (2011): Dinámica del desarrollo sostenible en espacios urbanos – aprendizaje por medio de comparaciones. In: MEGACIUDADES 2011, Buenos Aires, Argentina.
- (2011): Construcción Sustentable - experiencia de dos décadas.
- (2011): Benchmarking para Ciudades sostenibles en países emergentes. In: MEGACIUDADES - Foro Santiago 2041, Santiago de Chile, Chile.
- (2010): Munich 1972 & 1974 – Legacy after 4 decades . In: International Dialogue Forum, Beijing, China.
- (2010): Low Carbon Cities – Cidades sustentáveis. In: 19th International Conference of Brazilian Architects, Recife, Brazil.
- (2010): CDM for public administrations – PoA for buildings: An example project from Manaus, Brazil. In: 11th Climate Technology Initiative Workshop, Berlin.
- (2010): Benchmarking systems for Low Carbon/Sustainable Cities. In: International Dialogue Forum, Beijing, China.
- (2010): Low Carbon Cities & Quality of Living . In: International Dialogue Forum, Beijing, China.
- (2009): The challenge of contemporary architecture & urbanism: the creation of healthy homes and work places in an increasingly polluted environment . In: Proceedings of the 1st International Congress on Environmental Medicine in Manaus, Manaus, Brazil.
- (2009): Mecanismo de Desenvolvimento Limpo & Administrações Públicas – Exemplo de Eficiência Energética em Escolas Públicas . In: International Symposium CDM - PoA, Manaus/Brazil.
- (2009): Energy Codes & Green Building Certification . In: National Consultations - MED-ENEC (Joint Committee), Cairo, Egypt.
- (2009): Benchmarking System for Low Carbon Cities. In: International Town Planning Day & Dialogue-Forum, Cape Town, South Africa.
- (2008): Sustainable Architecture & Urban Planning . Keynote speech.
- (2008): Projetos sustentáveis nos Trópicos. In: CITAES – International Congress for Sustainability in Architecture & Engineering, Recife, Brazil.
- (2007): Energy Efficiency in Buildings in the Tropics – A comprehensive approach.
- (2006): Thermal comfort & reduced flood risk through green roofs in the Tropics. . In: Proceedings of the 22nd International Conference on Passive and Low Energy Architecture (PLEA), Geneva, Switzerland.
- (2006): Sustainable Architecture in the Hot & Humid Climate .
- (2006): Potential of Energy & Water Efficiency in Buildings in Brazil .
- (2006): Potential and limits of sustainable architecture and urbanism.
- (2006): Conforto & Ecoeficiência .
- (2005): Political approach in energy efficiency in Germany, with focus on buildings.
- (2005): Incentives for Projects in Sustainable Urbanism through CDM. CDM-Workshop.
- (2004): Mensch und Klima – sind wir dabei unsere Klimaadaptation zu verlieren?. In: Technology, Resource Management and Development, Köln, vol. Volume 3.
- (2004): Untersuchung der Tageslichtnutzung in den feucht-heißen Tropen am Beispiel Rio de Janeiro. In: Technology, Resource Management and Development, Köln, vol. Volume 3.

- (2004): The Revitalization of Central City Areas as a Mean for Urban Sustainability. Case Study: Harbour of Rio de Janeiro. In: Proceedings of the 20th International Conference on Passive and Low Energy Architecture (PLEA).
- (2004): Energieeffizienz für Rio de Janeiro. In: E + Z - Entwicklung und Zusammenarbeit.
- (2004): Untersuchung der Tageslichtnutzung in den feucht-heißen Tropen am Beispiel Rio de Janeiro. DOI: 10.25643/bauhaus-universitaet.47.
- (2004): Erneuerbare Energien in Architektur und Städtebau in den feuchtheißen Tropen. Workshop "Erneuerbare Energien für Entwicklung".
- (2004): Conceptos de Sostenibilidad para Ciudades Tropicales – Ejemplos de Rio de Janeiro/ Brasil.
- (2004): Aspectos de Sustentabilidade nos Espaços Urbanos.
- (2004): Fachadas para Clima Tropical. In: INOVARQ 2004 - Fórum de Inovações Tecnológicas da Arquitetura e Construção, São Paulo, Brazil.
- (2004): Mudanças de Paradigmas na Concepção de Centros Urbanos como Resposta às Mudanças Climáticas.
- (2004): Arquitetura Sustentável em Ambientes Urbanos. In: Congresso Internacional Rio5, Fortaleza, Brazil.
- (2003): The New German Decree on Energy Saving in Buildings – As a Result of 30 Years of Permanent Improvements in Research, Development and Politics. In: Tagungsband zum XVII. Brasilianischen Architekturkongress (XVII. Congresso Brasileiro de Arquitetura).
- (2003): Fachadas Inteligentes e Iluminação Natural nos Trópicos. In: Tagungsband zum XVII. Brasilianischen Architekturkongress (XVII. Congresso Brasileiro de Arquitetura).
- (2003): The New German Decree on Energy Saving in Buildings. As a Result of 30 Years of Permanent Improvements in Research, Development and Politics. In: XVII. Congresso Brasileiro de Arquitetura, Rio de Janeiro.
- (2003): Sustentabilidade na Arquitetura e no Urbanismo.
- (2003): Fachadas Inteligentes e Iluminação Natural nos Trópicos. In: XVII. Congresso Brasileiro de Arquitetura, Rio de Janeiro, Brazil.
- (2003): Arquitetura e Mobilidade (Architecture & Mobility) . In: Seminar at the French Consulate in Rio de Janeiro with Jaques Moussafir (Paris), Índio da Costa (Rio), Paulo Casé (Rio) during the exhibition "Paisagens da Mobilidade"; Moderation: Alfredo Sirkis (Secretary of Urbanism), Rio de Janeiro.
- (2002): Photovoltaic-panels on greened roofs - Positive Interaction between Two Elements of Sustainable Architecture.. In: Rio02 - World Climate & Energy Event .
- (2002): Green roofs in the hot & humid tropics - far beyond the aesthetics . In: Environmental Management and Health.
- (2002): Solar Radiation & Orientation as a key information for bio-climatic design . In: Technology Resource Management and Development, Köln.
- (2002): German developments in daylight guidance systems – an overview. In: Building Research & Information, vol. 30, no. 4. DOI: 10.1080/09613210210132919.
- (2002): The Sustainable Urban Module / O Modulo Urbano Sustentável. In: Sustainable Revitalization of Tropical Cities /Revitalização Sustentável de Cidades, Rio de Janeiro/Berlin.
- (2002): Rio 92 +10: Um Exemplo Bem Sucedido de Cooperação Norte-Sul No Desenvolvimento Sustentável Na Área Da Cerâmica Vermelha. In: Encontro Nacional de Engenharia de Produção (ENGEPE) 2002.
- (2002): Tageslicht in den Tropen. In: Achtes Symposium Innovative Lichttechnik in Gebäuden.

- (2002): Sustainable Urban Mobility / Mobilidade Urbana Sustentável. In: Sustainable Revitalization of Tropical Cities / Revitalização Sustentável de Cidades, Rio de Janeiro/Berlin.
- (2002): Sustainability and Urban Revitalization / Sustentabilidade e Revitalização Urban. In: Sustainable Revitalization of Tropical Cities/Revitalização Sustentável de Cidades, Rio de Janeiro/Berlin.
- (2002): Impact of Daylighting Concepts for Tropical Latitudes. In: Proceedings of the World Renewable Energy Conference.
- (2002): Die mitentscheidende Rolle der Hochschulen in der Agenda 21.. In: Technology Resource Management and Development, Köln.
- (2002): Fachadas Inteligentes – Inovações para conforto e eficiência.. In: Câmara Informa, no. 2 (Februar).
- (2002): Urban Water Retention by Greened Roofs in Temperate and Tropical Climate. In: Technology Ressource Management & Development - Scientific Contributions for Sustainable Development , Köln.
- (2002): Sustainable Buildings in the Tropics. In: Rio02 - World Climate & Energy Event .
- (2002): Potencial de Economia de Energia em Prédios no Rio de Janeiro. In: Workshop “Semana da Eficiência Energética e Sustentabilidade Urbana”, Rio de Janeiro, Brazil.
- (2002): Photovoltaic-panels on greened roofs - Positive Interaction between two Elements of Sustainable Architecture. In: Rio02 -World Climate & Energy Event, Janeiro 2002, Rio de Janeiro/Brazil.
- (2002): O módulo urbano sustentável (The Sustainable Urban Module). Workshop “Semana da Eficiência Energética e Sustentabilidade Urbana”.
- (2001): Urban Water Retention by Greened Roofs in Temperate and Tropical Climate. In: Proceedings of the 38th IFLA World Congress.
- (2001): Estudo de aplicação de plantas em telhados vivos extensivos em cidades de clima tropical. In: Proceedings of the VI Encontro Nacional sobre Conforto no Ambiente Construído. São Pedro: ENCAC, 2001.
- (2001): Green roofs in the hot & humid tropics - far beyond the aesthetics . In: Proceedings of the 18th International Conference on Passive and Low Energy Architecture (PLEA).
- (2001): Lightshelves and brise soleil - carrying on where the tropical modernism left off. In: Proceedings of the 7th International Building Performance Simulation Association Conference.
- (2001): Light and shadow – an analysis of daylighting and shadowing systems for the tropics.. In: Proceedings of the 18th International Conference on Passive and Low Energy Architecture (PLEA).
- (2001): Daylighting systems for the tropics – the example of laser cut panels (Austrália) and Plexiglas Daylight (Germany). In: Proceedings of the 7th International Building Performance Simulation Association Conference.
- (2001): Daylighting in the Tropics – an Evaluation of Sky Luminance, Glare Perception and Veiling Reflections on VDTs in the Tropics. In: Proceedings of the 18th International Conference on Passive and Low Energy Architecture (PLEA).
- (2001): Brise Soleil – classical elements of tropical modernism. In: Proceedings of the 7th International Building Performance Simulation Association Conference.
- (2001): Strategies and Materials for Energy Efficiency.
- (2000): Energy Efficiency in Tropical Office Buildings and the Development in Rio de Janeiro.
- (2000): Avaliação do Consumo de Energia da Edificação em Função dos Marateriais de Fachada – Estudo de Caso no Rio de Janeiro. In: Anais do Encontro Nacional Tecnologia para o Ambiente Construído ENTAC’2000.

- (2000): Technologietransfer zur Verbesserung der Energieeffizienz von Gebäuden am Beispiel von porosierten Ziegeln. Ein interdisziplinäres Kooperationsprojekt des ITT/FH Köln und der CEFET in Rio de Janeiro. In: Tagungsband Internationales Sonnenforum 2000, Freiburg, München.
- (2000): Office Buildings in the Tropics – Necessarily Energy Inefficient?. In: COTEDI 2000, [S.l.].
- (2000): Solar Radiation & Orientation as a key information for bio-climatic design . In: Architecture Malaysia/Majalah arkitek (A publication of the Royal Malaysian Institute of Architects), no. November/December, pp. 64-67.
- (2000): Projeções sobre o impacto técnico e económico da implatação da tecnologia poroton na indústria cerâmica do estado do Rio de Janeiro, Brasil. In: Encontro Nacional de Engenharia de Produção (ENGEPE) 2000.
- (2000): Energy Efficiency in Tropical Office Buildings and the Development in Rio de Janeiro.
- (2000): Energy Efficiency in Germany and Brazil – 30 years of Experience in Germany and first steps in Brazil.
- (2000): Ecología, Medio ambiente y Energía en la construcción civil. In: ASADES 2000, Resistencia/Chaco, Argentina.
- (1999): Modern Glazings – Efficient for Cooling and Daylighting. In: Memorias de la Conferencia Internacional de Energía Renovable y Educación Energética (CIER'99) / Matrimonio solar, La Habana, Cuba.
- (1999): Latest developments in Daylight Guidance Systems. In: Memorias de la Conferencia Internacional de Energía Renovable y Educación Energética (CIER'99) / Matrimonio solar, La Habana, Cuba.
- (1999): Development of Energy Efficiency Policy for Buildings and Research Activities after 1970 in the field of Low Energy. In: Memorias de la Conferencia Internacional de Energía Renovable y Educación Energética (CIER'99) / Matrimonio solar, La Habana, Cuba.
- (1999): Tropical Office Buildings – Different Impacts on Energy Efficiency. In: Passive and Low Energy Architecture (PLEA XVI) International Congress.
- (1999): Energy reduction in construction materials. In: Proceedings (Abstracts) IV Workshop Brazil-Germany for Environmental Sciences and Technology Exchange, Universidade Federal Fluminense, Rio de Janeiro.
- (1999): Argentinien – Absatzmarkt für holzverarbeitende Maschinen; Argentinien - industrieller Holzbau; Argentinien – BRD: Holzwerkstoffe. Unveröffentlichte Studien für das Ministerium für Schule, Weiterbildung, Wissenschaft und Forschung.
- (1999): A Ação Concertada“ – Pesquisa e implementação na Política de Eficiência Energetica na Alemanha desde 1973. In: V. Encontro Nacional de Conforto no Ambiente Construído e II. Latino-Americano de Conforto no Ambiente Construído / Anais do ENCAC 1999, Fortaleza.
- (1999): A ação concertada – pesquisa e implementação na politica de eficiência energética na Alemanha desde 1973 – exemplo do termoargila. In: Caderno de Resumos, V. Seminário Internacional da Cerâmica Vermelha, Rio de Janeiro.
- (1999): Primary Energy in Building Materials – an Evaluation-System. In: Passive and Low Energy Architecture (PLEA XVI) International Congress.
- (1999): Evaluating Wall Materials in Brazil. In: BasinNEWS, St. Gallen, Schweiz, vol. 11/99.
- (1999): Energy Efficiency in Tropical Office Buildings. In: Proceedings (Abstracts) IV Workshop Brazil-Germany for Environmental Sciences and Technology Exchange, Universidade Federal Fluminense, Rio de Janeiro.
- (1999): Development of Energy Efficiency Policy for Buildings and Research in Germany after 1970. In: Passive and Low Energy Architecture (PLEA XVI) International Congress.
- (1999): Development of Energy Efficiency Policy for Buildings and Research Activities after 1970 in the field of low energy housing. In: Proceedings (Abstracts) IV Workshop Brazil-Germany for Environmental Sciences and Technology Exchange, Universidade Federal Fluminense, Rio de Janeiro.

- (1999): Programa de Treinamento para Eficiência Energética em Prédios Públicos. Kursbegleitheft für den gleichnamigen Kurs in Rio de Janeiro (Fundação João Goulart, 11/99).
- (1999): Energy Efficiency in Tropical Office Buildings. In: Memórias de la Conferencia Internacional de Energía Renovable y Educación Energética (CIER'99) / Matrimonio solar, La Habana, Cuba.
