

Publikationen

(2020): Evaluation of Strain Transition Properties between Cast-In Fibre Bragg Gratings and Cast Aluminium during Uniaxial Straining. In: Sensors, vol. 20, no. 21. DOI: 10.3390/s20216276.

(2020): Calibration of cast-in Fibre-Bragg-Gratings for internal strain measurements in cast aluminium by using neutron diffraction. In: Measurement, vol. 163, no. 15 October 2020. DOI: 10.1016/j.measurement.2020.107939.
